Château des Amerois
Château des Amerois

“Mother of Darkness Castle” also sometimes referred to as the “Castle of Kings”

Situated in Bouillon, Belgium. (Google Map)

This castle and its domain, the Muno forest, belonged to Prince Philippe of Saxe-Cobourg-Gotha, who was Count of Flanders and also the father of King Albert I.

The castle was built in 1877 for Prince Philippe of Saxe-Coburg and Gotha by the architect Gustave Strauven. It has 365 windows and was later bought by Alice Solvay, niece of the Belgian scientist and industrialist Ernest Solvay who was also the founder of the Solvay Institute of Sociology. Today is apparently still owned by the Solvay’s.

The castle is known to conspiracy theorists circles due to its publicity by Fritz Springmeier.

This castle was used extensively by Satanists and pedophiles for child sex orgies that in Belgium were referred to as “The Pink Ballet”. And the daily for centuries, a mother and new born male child are sacrificed so the blood of the infant, can be used to write the days events in their ‘official log’.

In his writings (“PDF: Bloodlines Of The Illuminati-Fritz Springmeier”, p. 205) and speeches, Fritz Springmeier mentions a secret castle located only 6.7 miles from the village of Muno in Belgium. (see pics below)

This castle would, according to him, be a center of the occult and have a cathedral inside with a dome with 1,000 lights & Monarch programming would be performed on children there.
Strangely, Fritz Springmeier is not the only one to mention this castle.

In their 2001 book dedicated to the Dutroux affair, “Dossier pédophilie. Le scandale de l’affaire Dutroux” (Paedophilia File: The Scandal of the Dutroux Affair) p. 259, Jean Nicolas and Frédéric Lavachery also mention the Amerois castle as a place where satanic ritual parties and child sacrifices allegedly took place. A report of the Dutroux affair refers to the letter of a retired gendarme talking about this castle. At the beginning of April 1996, he hosted a Mexican priest. A Dutch friend of the priest came to pick him up. The Dutch mentioned the Château des Amerois as a place where satanic soirées took place with child sacrifices. An American from NATO, who allegedly took part to one of these parties and felt disgusted, gave this information to the Dutch.

There were pictures of the Amerois castle available at globalview.be, but they have been deleted. You can only find their traces in Google’s cached snapshots. There are weird things going on in this area.

There are many testimonies recorded during the Dutroux affair pointing to orgies organized in castles Michel Nihoul, Marc Dutroux’s accomplice, organized orgies in his Faulx-les-Tombes castle (92km from Chateau des Amerois).

Childrens corpses have been exhumed in the park of the Château du Sautou, close to the Belgium border, (36km from Château des Amerois)

Château du Sautou was the property of serial killer Michel Fourniret

Michel Fourniret (born 4 April 1942 in Sedan, Ardennes) is a convicted French serial killer who confessed, in June and July 2004, to kidnapping, raping and murdering 9 girls in a span of 14 years during the 1980s, the 1990s and the 2000s. He was also accused of 10 additional murders, nine in France and one in Belgium, and was found guilty of seven of these charges. The trials started on 27 March 2008, and ended on 28 May. He is sometimes referred to as the “Ogre/Beast of Ardennes”

Wife ‘lured virgins for Ogre of the Ardennes ‘

Michel Fourniret, 65, formed a sordid pact with his estranged wife, Monique Olivier, 59, under which she agreed to find virgins for his sexual gratification, the court in Charleville-Mezieres will be told.

Fourniret admitted he needed to go hunting for a virgin at least twice a year,

But a new book by three crime reporters, “The X-Files: What Belgium Was Not Supposed to Know About the Dutroux Affair,” published in French and Dutch in November, asserts that the X-witnesses were more credible than the conventional wisdom suggests.

According to the book, the X-witnesses said that the prostitution, or worse, of children was commonplace. Mr. Bille tried to establish how many children had gone missing in Belgium.

Several of the prosecutors’ offices failed to reply, but the Brussels region reported that 1,300 minors disappeared between 1991 and 1996.

First let's cover the Detroux affair, a massive pedophile network came to light and was hushed up. Marc Dutroux (born 6 November 1956) is a Belgian serial killer and child molester, convicted of having kidnapped, tortured and sexually abused six girls during 1995 to 1996, ranging in age from 8 to 19, four of whom he murdered. He was also convicted of having killed a suspected former accomplice, Bernard Weinstein, later proved insane. He was arrested in 1996, four years after the disappearance of his victims had begun, and has been in prison ever since, though he briefly escaped in April 1998. There was widespread anger and frustration among Belgians due to police errors, the general slowness of the investigation and Dutroux’s claims that he was part of a sex ring that included high ranking members of the police force and government. This anger pitched when the popular investigative judge in charge of investigating the claims was dismissed on the grounds of having participated in a fund-raising dinner for the girls’ parents. The investigation itself was wound up. His dismissal and end of the investigation resulted in a massive protest march (the “White March”) of 300,000 people on the capital, Brussels, in October 1996, two months after Dutroux’s arrest, in which demands were made for reforms of Belgium’s police and justice system.

In Belgium they have the X files too, but theirs refers to a series of horrific witness accounts of an alleged pedophile network. Five women and a male transvestite who testified anonymously in Belgium under the code-name “X” described an underworld of snuff films and sadomasochist torture that was almost impossible to believe. They stated that politicians and other highly prominent officials were involved. A massive pedophile network was coming to light and was hushed up as quickly as it surfaced.
Some reports say that up to 20 key witnesses “Committed Suicide” and died in mysterious ways before testifying. PURE COINCIDENCE!!

Human skulls were found at sacrificial sites identified by witnesses in particular at the sects headquarters. The Satanic group behind the Belgian murders is said to be connected with similar rings in Holland, Germany, and America. In truth, it most likely will be part of the global network they operate in all countries. Satanism is being run like a transnational corporation and why not? These are after all, the CEO’s of major corporations and government officials of countries. There are many testimonies recorded during the Dutroux affair pointing to orgies organized in castles. Michel Nihoul, Marc Dutroux’s accomplice, organized orgies in his Faulx-les-Tombes castle. Child corpses have been exhumed in the park of the Château du Sautou which is close to the Belgium border and which was the property of the serial killer Michel Fourniret.

One of the global centers of Satanism is the Chateau des Amerois. Its view is protected by thick forests and guards keep out the curious. In the grounds is a cathedral with a dome containing 1,000 lights. When George Bush, then president, spoke of 1,000 points of light he was speaking in code about this place of initiation for the highest initiates of the Satanic pyramid. In this Satanic cathedral rests the throne of the high priestess of the upper hierarchy, a position known as the “Queen Mother”. Every day, it is apparently said that a child is sacrificed in the basement. Remember all this when you hear Lady Gaga’s “Mother Monster”

Mother Monster Lyrics
This is the manifesto of Mother Monster
On G.O.A.T.
A Government Owned Alien Territory in space
A birth of magnificent and magical proportions took place
But the birth was not finite
It was infinite
As the wombs numbered
And the mitosis of the future began
It was perceived that this infamous moment in life is not temporal
It is eternal
And thus began the beginning of the new race
A race within the race of humanity
A race which bears no prejudice
No judgment
But boundless freedom
But on that same day
As the eternal mother hovered in the multiverse
Another more terrifying birth took place
The birth of evil
And as she herself split into two
Rotating in agony between two ultimate forces
The pendulum of choice began its dance
It seems easy, you imagine
To gravitate instantly and unwaveringly towards good
But she wondered
“How can I protect something so perfect without evil?”

Girl VANISHES during visit to CDA

Apparently guards keep the curious out or invite them in never to be heard from again. While researching all of this I came across the above vid, posted from a man’s cell phone and this is what the description box reads:
We have visited Mother of Darkness castle, in south of Belgium, the one which is listed as a world headquarters of the Illuminati. We came with my girlfriend. The front gate of the castle was open, believe it or not. We went into the park. When we approached the castle I wanted to leave, but my girlfriend thought it might be a good idea to talk to someone inside, just for a sake of putting it to her blog… We argued, she went towards the castle… And never came back. I waited for half an hour and went towards the castle myself. The security person came out, confiscated my camera, then escorted me outside; they said they have never seen my girlfriend. I waited in the hotel nearby for a day but she never turned up. Finally I went to the police, in the nearby village of Mulo or Muno, the day after. But they threatened to arrest me for trespassing instead..Of course they said people in Mother of darkness castle never heard of her..

This video made by phone, is only evidence I have left. We thought it was a joke when we visited but now I don’t know what to do and what to think..

There is a short 9 second video of a young woman walking towards the castle and that is all. For the record, these people are not joking and killing you or causing you to disappear is very easy for them to do.

The following is an article found posted on the internet at Rosario Dawson 101

Illuminati Pedophile Rings: The Detroux Affair

April 19, 2011

“Child sexual abuse networks are part of the lifestyle of the generational satanists who make up the Belgian ruling elite. This behavior is not confined to Belgium.”

by David Richards
The ‘Detroux Affair’ definitely proves the existence of Illuminati pedophile rings.

The scandal started with the arrest in Belgium of Marc Dutroux in 1996 for the abduction and murder of girls as young as eight. Dutroux imprisoned the girls in his basement where he sexually abused them and made pornographic videos. He would often murder them after they had served their usefulness. Two girls, An Marchal (age 17) and Eefje Lambrecks (age 19) were drugged and buried alive in Dutroux’s garden.

This case was explosive because Dutroux was a small cog in a sex-slave ring involving powerful people. His accomplice in the kidnappings, Michel Lelievre, testified, ‘Marc always told me that he kidnapped girls for people who had placed an order with him.’ He killed An and Eefje because the people who placed the order ‘weren’t interested in them.’

The orders came from a man named Michel Nihoul. A career criminal involved in financial fraud and drug trafficking, Nihoul had connections to the highest echelons of the Belgian establishment.

Survivors of the abuse networks were emboldened by Nihoul’s arrest and came forward to testify. Most witnesses were designated an ‘X’ followed by a number by the police, and so their testimonies became known as the ‘X-dossiers’.

ILLUMINATI PARTICIPATION

The “X-witnesses” named the most powerful men in Belgium as abusers.

The use of abuse networks is characteristic of Elite families. For example, Count Maurice Lippens has been a regular Bilderberger attendee and co-ran Societe Generale in the 1980’s.

X1, X2, X4 and others named Maurice Lippens (left) and his brother Leopold, the long time mayor of Knokke, as vicious child abusers and participants in the snuff network. Curiously, Lippens’s Wiki page omits this fact.

Elite sex abusers marry other sex abusers. X1 and X2 mentioned Baron Benoit de Bonvoisin, a Belgian aristocrat who was heavily involved in fascist organizations, as one of the most sadistic abusers in the network.

One of his sisters married Count Herve d’Ursel, who has been accused by X1 of involvement in the snuff and ritual abuse network. His other sister is married to Bernard de Merode, an intelligence-connected family that has been accused of child abuse by X4 and Nathalie W.

Even the Belgian Royal family has been implicated on several occasions. X3 (the only ‘X’ witness to have suffered abuse in the 50’s and 60s) implicated Prince Charles (1903-1983), the second son of King Albert I; King Baudouin (1930-1993), and the eldest son of King Leopold III.

Clearly child sexual abuse networks are part of the lifestyle of the generational satanists who make up the Belgian ruling elite.

This behavior is not confined to Belgium.

PEDOPHILIA

The children were sent to VIP parties in clubs and villas where they were subjected to oral and penetrative sex escalating to perversions of unimaginable horror. These include violent anal rape of children as young as three, long
torture sessions, and sex with animals. Some of the descriptions are horrifically fantastical, such X1’s testimony of giving birth:

“When the contractions started her [X1’s] grandmother made a phone call. The Lippens brothers, Vanden Boeynants and the assistant [police] commissioner of Knokke arrived. De Bonvoisin and Vander Elst arrived thereafter… Vander Elst puts a knife on her throat while Bonvoisin rapes her… She must masturbate while Vander Elst makes a number of photos. Lippens rapes her with a razor blade. When the child exited, de Bonvoisin beat her [multiple times in the face]. Directly after X1 gave birth she was raped and sodomized. Her daughter disappeared six weeks later.”

Due to the extreme abuse they suffered, the girls had Dissociative Identity Disorder (DID) where the mind splits into tens and even hundreds of different personalities. These personalities are brought to life by different triggers, for instance a compliant sex-slave can be brought into existence by a certain word. When we hear X1’s testimony of her mind control, it is clear her ‘pimp’ Tony was trained in these techniques:

‘He gave me different names: Pietemuis, Meisje, Hoer, Bo. The names slowly started to become part of me. The strange thing was that if he mentioned a name, the mood that fit that name was immediately called up.’

The different personalities X1 describes give a horrifying window into the psyche of a sex-slave, ‘Pietemuis [Small Mouse] became the name of the little girl that he brought home after the abuse – a scared and nervous girl that he could comforted by talking to her in a caring and fatherly kind of way. Meisje [Girl] was the name of that part of me that only belonged to him. If he abused me in my bed in the early morning, for example, or if there was no one around us. Hoer [Whore], the name of that part of me that worked for him. Bo, the young woman who cared for him if he was drunk and needed to be looked after.’

‘Now you just leave that to me,’ he said when I asked him curiously why he gave me so many names, ‘daddy Tony knows you better than you know yourself.’ That was true.”

This is of course MK-Ultra mind control, evidence that abuse networks are internationally run by the secret services and criminal entities.

The children were usually murdered by the time they reached their 16th birthday. X1, X2, X3, X4 and others all spoke about children being murdered. These murders were often captured on video and shown at abuse parties and made into snuff films sold on the black-market for tens of thousands of dollars.

BLACKMAIL

The abuse networks function as a system of blackmail to make sure everyone in the Illuminati and their criminal organizations toe the line.

X1 describes her role:

“In Brussels there was a villa in which a room was set up with built-in cameras. Even in the 1970s these cameras were so discreet that only the people who maintained them and the child-prostitutes knew where they were located… Why did I have to get those guys clearly in the picture, why was I supposed to get them to hit me and brutally rape me?… Blackmail, the word that was never mentioned, I only started to really understand when I was thirteen, fourteen years old…”

She learned that sex with children was a way to create and shore up business contracts. This is how the process worked (presumably continues to work):

X1’s handlers invited someone who could be useful to them to dinner and after they had been liquored up, to a party. Cocaine was plentiful and the men were led to ideas by child porn films played on video screens. The ‘prey’ were
then taken to a room where a child lay waiting. After the sex, ‘Not one of these people was still inclined to sign contracts with individuals outside the network. If that happened one could make them pay dearly for that.’

Even Michel Nihoul has admitted that abuse networks are used for blackmail in an interview with Der Spiegel in 2001:

“I control the government. ... Everyone has compromising dossiers on one another, to be used as leverage in the right situation. ... This is the Belgian disease. ...”

“[Voice recorder turned off. For a 6-digit sum] I will give you a picture on which then Prince Albert jumps a 16 year old girl. Naked. Shot at the second floor of the Mirano Club 20 years ago [where a pedophile blackmail ring allegedly was situated, according to other witnesses]. ... Then I have to leave Belgium.”

If a member of the Illuminati or one of their lackeys wants to get out, change their ways and repent, blackmail keeps them in-line. If you sell your soul to the devil you don’t get it back.

INVESTIGATION THWARTED

The Dutroux Affair a perfect illustration of how the justice system and mainstream media work in tandem with the establishment to hide the truth.

The investigation was thwarted from the beginning. The examining magistrate Jean-Marc Connerotte was appointed to the case. Connerotte was a good man and couldn’t be bought and so was taken off the case. He later said in court, ‘We were told by police that [murder] contracts had been taken out against the magistrates,’ and that ‘organized crime methods’ were used to ensure that his investigation ended in failure.

His replacement was a man named Jacques Langlois. (pictured right) He immediately decided that he didn’t want to hear anything about child abuse networks, and became one of the key figures responsible for dismantling the whole Detroux investigation by ignoring countless leads and sending his investigators off into all kinds of bogus issues.

Police commissioner Georges Marnette played a central role in these disinformation schemes. Both X2 and Nathalie W. identified Marnette as an abuser in the network.

Very quickly, the witnesses and parents of missing children lost faith in the justice system. Tiny Mast, whose daughter Kim Heyrmkn went missing in 1994, became a good friend of X1. She stated:

“I can tell hundreds of stories which, if I compare them with what the Verwilghen commission labeled as “mistakes”, really stretch the imagination. Those guys are so aggressive and so inhumane that I sometimes feel that they are part of the same clique as those who took away my
children.”

**COVER-UP**

To give you an idea of how much of a cover-up was involved, Langlios met with the producers of ‘Au Nom de la Loi’, an influential French-language TV program. Following these meetings, ‘Au Nom de la Loi’ broadcasted four extremely manipulative prime-time TV programs from 1997 to 2000 in which they tried to convince the public that Nihoul was an innocent victim in the whole Dutroux affair.

**There have been at least 25 suspicious deaths tied to the Dutroux case**, with even more reports of intimidation. The deaths became so obvious that Jean Denis Lejeune, the father of one of the girls kidnapped by Dutroux, remarked:

“As if by coincidence people die. There is no explanation for their deaths. For instance, they are victims of a deadly traffic accident just when they are under way to testify. Or one finds their charred bodies. Our judiciary apparently doesn’t have sleepless nights over this.”

The Belgian public knew very well it was a cover-up. Their anger found expression in the famous ‘White March’ where 300,000 people marched through the streets of Brussels in silent protest. It changed nothing.

Detroux was eventually jailed for life while Nihoul was found not guilty of abducting and murdering children. Those higher up the food chain were left untouched.

**CONCLUSION**

Illuminati abuse networks function for the exercise of extreme sadomasochistic urges as well as a system of blackmail that keeps members from breaking rank.

Cases such as the ‘Franklin Cover-up’ have shown this system exists in the States. The ‘Detroux Affair’ reveals Belgium to be another epicenter of this behavior. Perhaps this is one reason why Brussels is the capital of the EU.

The information contained in such cases is horrific but vital in exposing the dark heart of those who rule the world. It is very difficult to comprehend their evil actions, but if these people are capable of orchestrating world wars, killing millions, why would sexually abusing and murdering children be taboo?

The Illuminati or more accurately the dark spirits running the Illuminati are creating (so they believe), an ‘imitation kingdom of Satan’ which is a mirror image of the true Kingdom of Yahweh. Remember that a mirror image is opposite of what you see. They turn things upside down and backwards, but when you flip it around you can see the imitation or mockery they are trying to make of Yahweh and His creation. They can be called the Illuminati, or the New World Order but their biblical name is “Mystery Babylon” The Great” an they have people in all races, nations, creeds, tongues, positions and religions. Their kingdom is Mystery Babylon, not the USA, Iraq, Islam or the Catholic Church, although they have people in leadership positions in all of these areas. Their main leadership is located in the USA from what I understand. Their queen is called Hepsebah and she is the High Queen of all the Satanic kingdoms and controls great wealth. She is supposedly the “most powerful woman on Earth” to them.

Hepsebah’s titles include, “The Great Whore” “The Most Powerful Witch (MPW)” “The Locust Queen, or Queen of the Locusts.” The name Hepsebah is a name of blasphemy and means “my delight is in her.” She is the physical form of the whore that sits upon the beast. She claims direct lineage to Semaramis and is worshipped as the goddess Ishtar. In ancient times Hepsebah was the mother of Manasseh (USA sprang from this tribe) who led the nation of Israel into idolatry and devil worship. For this, the Yahweh allowed them to go into Babylonian captivity.

Like the “blue bloods” their marriages are arranged and genetics play a huge part in who gets to rule in their society.
There are some specifics to Hepsebah’s genetics that allow her to rule over the United States land area. Hepsebah has bridged a gap that the ruling elite needed to be able to locate Mystery Babylon in the U.S. I am told that they needed the ancient American Indian territorial spirits, so Hepsebah’s father is the top pure blooded American Indian shaman nephilim while her mother is of the Druid counsel Grande Damme. Hepsebah carries in her the power of the territorial American spirits and the ruling of the old European ruling houses through the Grande Druid counsel. Her grandmother was the top Grande Damme Mother of Darkness and carried the “Great Whore” spirit passed down through the generations from ancient Babylon. Her mother, Lucifer’s daughter, committed some kind of offense in the occult world and they stripped her of the position to rule and so it was not passed on to her, instead it was passed to the granddaughter. It is suspected Hepsebah will be the mother of the Antichrist.

(Grand Lodge Of Druids)

The entire Satanic kingdoms are a matriarchal society where the females are the real rulers, hence the hive mind and Queen bee. Most of their ruling class is hidden, in other words. The Queen of England bows down to Hepsebah. There are six separate kingdoms on Earth, three kings of patriarchal societies; and three Queens of Matriarchal societies. Hepsebah’s group is called, “The Mothers of Darkness” and they are a powerful ruling class of their own.

What is called Satanism is the ruling hierarchy of the ancient brotherhood pyramid under the command of demons. Like all the other parts of the network, it is strictly compartmentalized, the highest levels of the Satanic network lock into the highest levels of the brotherhood, but the lower degrees are not allowed to know the true nature of the organisations they are involved in. Some of the levels of Satanism are known as the Sisters of Light, the Five Star Generals, Master Counsellors, Keeper of the Books, Keeper of the Seals, and there is one position called an Asmodeus.”

Ceromones are performed to the Satanic ‘goddess’ known as Lilith who is a demon in the Hebrew Cabala. In ancient Sumer the demonic bloodline is passed on through the female and was symbolised as a lily. The main demonic/reptilian gene carriers were given names like Lilith, Lill, Lilutu, Lillian and Lillette. Another demon used by some ‘Mothers’ is called Bilair, Bilar, and Bilid, cabalistic names for the force others call Satan. It is from these areas in Belgium and northern France that the bloodline families came, including the Bruces, to take over Scotland all those centuries ago. Belgium is a little country between France and the Netherlands and is the home of the European Union, NATO, and, I am told, a massive computer center where databases on all the people of the world are being compiled. It is known as ‘the Beast’ and there are a number of these around the world. An Elite mind control operation called the Janus Group is also based in the NATO headquarters. Nimrod was Eannus, the god with two faces who was later known to the Romans as Janus. And once again we return to Babylon.

ROMAN GOD, JANUS
Lilith is the demoness who takes the form of an owl and it appears to be no coincidence that a giant owl is the statue being worshipped by the global leaders in the “Bohemian Grove” cremation of care ceremony every year. Christians know only from their version of the Old Testament Bible that Eve was the first woman created from Adam’s rib [Gen 2.21-24]. There is Jewish legend found in rabbinic literature that the first woman was Lilith who out of pride, stubbornness and a rebellious nature abandoned Adam at which point she was transformed into a demon. She is the “terror that flies by night” in Psalm 91.

**LILITH**

*The Legends of the Jews- The Alphabet of Ben Sira* (10th century) Lilith refused to lie below when they were having sex. This refusal, however, is not found in the Haggada. Speaking God’s name, she grew wings and flew away to the Red Sea. In the desert, she had spawned a hundred demons. Adam complained to God that his wife had abandoned him and now he was alone. God commanded angels to bring Lilith back to Adam. The angels tried to force her to return to Adam or she would lose her children. Lilith adamantly refused to live with Adam. She took her revenge by killing human babies; boys when they are only a day old, while girls up to 20 days old. The only way to ward her off was to adorn each baby with an amulet with the names of three angels; the same three angels who had confronted Lilith. So, God created another woman for Adam – Eve. Like in Genesis, God created her from Adam’s rib.

Remember that Demons go where they are invited so when these codes, names, symbols and rituals are used they are evoking these evil gods to enter their space for various reasons. Tribal leaders would evoke these evil entities before going into battle for protection. Skulls and body parts of powerful well-known ancient people would be used for the same reason. The sword used to pierce the side of Yahshua was a BIG TICKET ITEM sought by well known groups like the Templars. The ancient Jews carried the Ark of the Covenant into battle against the enemy. When the Bushes use these coded words regarding Iraq, they are aware that America will be entering the territory of Nimrod who was the ruling god of Babylon. This is not about what you see with your eyes, this is about spiritual power and energies that they are using that feed these demon spirits and increase their power.

As you can see their reach is vast. The Illuminati, ruling elite, whatever you call them are still just men. The big difference is that they are ruled by demons. They have sold their souls for an Earthly Kingdom which they are fighting to keep. They believe the lies that Satan has whispered to them, that they can be rich, rule the land, have great power, become immortal and be LIKE gods. Satan fulfills part of the promise. He gives them riches beyond
their wildest dreams, they rule the lands and everything in it, their power is all consuming…by all this they are
hooked. But they are NOT nor will they ever be immortal and they are NOT and will NEVER BE like gods. The truth
here is that they have had their reward. Its over for them. What awaits them is hell and lots of angry demons that will
be locked up with them for all eternity. While those who do not serve Yahshua are in bondage to them now, if they
change their hearts in the end they will bless their poorness, their humility, their humble lifestyles when Yahshua
returns for what is and always was rightfully His. Even the elite still have this opportunity open to them but the door
is closing and soon what we each have chosen will be our lot for eternity.

Europeans are the lost tribes of Israel over which the elite now have control by Satanic doctrines and spells, the
bondage that Yahweh put Israel into for consistently worshiping false gods. Each tribe = a country. Mannaseh =
America, Dan = the Danish countries and so forth. Satan has been very busy covering our past and confusing our
heritage. These forces will be led by Gog (a demon spirit) to attack (true) Israel which are Europeans. The lost tribes
of Israel are not black or mongrels (mixed) but white Europeans, Caucasians which crossed the Caucas
mountains.

This whole “religion” thing is new to me!!
(yip! I’ve survived near 40 years without organised religion!!)

But, the upshot of that is I haven’t a clue what i’m talking about when it comes to religious matters!

So, how many tribes are there REALLY meant to be?

12 or 13? I don’t know.

If anyone would like to tell me, PLEASE DO!!
